## Material Safety Data Sheet

Date Prepared: March 25, 2026

Product Name: **MaxGrass Rx**

**Section 1: Manufacturer's Information**

Ag Logic Distributors, LLC 641-366-3051  
15930 330<sup>th</sup> St.  
Conrad, IA 50621  
Lawn & Turf Fertilizer

**Section 2: Hazardous Ingredients/Identity Information**

	Weight %	Exposure Limit
Nitrogen	14%	N/A
Phosphate	4%	N/A
Potash	3.5%	N/A

**Section 3: Information on Ingredients**

Chemical Family: Humates  
Common Name: Hum organic fertilizer  
NFPA/HMIS: Health-0, Fire-N/A, Reactivity-0, Specific Hazard-0  
DOT Class: Not regulated

**Section 4: First Aid Measures**

Routes of Entry: Inhalation – No  
Skin – Yes  
Eyes – Yes  
Ingestion – No

Health Hazards (acute & chronic): None

Carcinogenicity: None known

Signs & Symptoms of Exposure: May cause skin irritation with repeated  
Exposure, eye irritation

Medical Conditions

Aggravated by Exposure: None known

Emergency & First Aid Procedure: Eyes – flush with water, see physician  
if discomfort persists, Skin – wash with  
water

**Section 5: Fire & Explosion Information**

Flash Point: 400 F Cleveland Cup  
Flammable Limits: N/A  
Extinguishing Media: Foam, Water Fog  
Special Fire Procedures: N/A  
Unusual Fire & Explosive Hazards: None

**Section 6: Accidental Release Measures**

Steps to be taken in case material

Is released or spilled: If liquid, flush with water  
If dried, scrape up and remove  
Avoid breathing dust  
Waste Disposal Method: Follow federal, state and local regulations  
For liquid and solid waste disposal  
Precautions to be taken in  
Handling and Storing: Avoid breathing dust if dry  
Other Precautions: None

**Section 7: Handling and Storage**

Precautionary labeling: Hazardous if swallowed, keep away from children,  
avoid prolonged contact with skin, flush with water  
in case of eye contact.

Other handling and  
Storage conditions: Shake well before using. Store above 40 degrees

**Section 8: Exposure Controls**

Steps to be taken in case material

Is released or spilled: If liquid, flush with water  
If dried, scrape up and remove  
Avoid breathing dust  
Waste Disposal Method: Follow federal, state and local regulations  
For liquid and solid waste disposal  
Precautions to be taken in  
Handling and Storing: Avoid breathing dust if dry  
Other Precautions: None

**Section 9: Physical/Chemical Properties**

Appearance/Odor: Dark Brown, Odorless  
Vapor Pressure: N/A  
Solubility in Water: 100%  
Freezing Point (F): 32 F  
PH: < 5  
Specific Gravity: 1.258  
Volatile by Volume: 20%  
Vapor Density: N/A  
Boiling Point (F): 400 F  
Evaporation Point: N/A  
Weight per gallon: 10.5 Lbs.

**Section 10: Stability & Reactivity**

Stability:	Stable
Conditions to Avoid:	None known
Incompatibility (Materials to Avoid):	Active Metals
Hazardous Decomposition:	None known
Hazardous By-products:	None known
Hazardous Polymerization:	Will not occur
Conditions to Avoid:	None known

**Section 11: Toxicological Information**

Signs & Symptoms of Exposure: May cause skin and eye irritation with repeated Exposure.

**Section 12: Ecological Information**

This product is not known to be ecotoxic.

**Section 13: Disposal Considerations**

Dispose of in accordance with all local, state and national regulations.

**Section 14: Transport Information**

There are no transport regulations or restriction. Not regulated as a hazard by the DOT.

**Section 15: Regulatory Information**

Product does not have any known health, safety, or environmental regulations.

**Section 16 Other Information**

The information herein has been compiled from sources believed to be reliable and is accurate to the best of our knowledge. However, no guarantees are given, conditions of use and suitability of the product for particular use are beyond our control; all risks of use of the product are therefore assumed by the user and **we expressly disclaim all warranties of every kind and nature, including warranties of merchantability and fitness for a particular purpose in respect to the use or suitability of the product.** Appropriate warnings and safe handling procedures should be provided to handlers and users.
